

## **THE MASTER'S LIST**

(for late applications to the College)

The College will consider carefully applications from pupils which are made after the regular Assessment date. At the time of Assessment a number of places will be held open for the express purpose of making such applications possible.

These applicants will be placed on the Master's List and they will be invited to come for a general visit to the College and to meet with the Tutor for Admissions.

Applications should be made through the Head of the pupil's current school. The Head is invited to submit a letter of recommendation directly to the Master.

A strong candidate for a Master's List place would usually be expected to be able to make a distinctive contribution to the life of the College through his or her academic, sporting, artistic or musical talents. The applicant also might be a late developer whom a Head now particularly wishes to recommend. A candidate must be under 14 on 1<sup>st</sup> September of the year of entry.

Recommendations should reach the College by 1<sup>st</sup> October in the year prior to a pupil's proposed entry.

Applicants will be invited for interview by the Master, and decisions on all candidates will be made by the end of the Michaelmas term.

Successful candidates will be expected to nominate Marlborough as their only choice of school. Some may wish to enter for the Marlborough College Scholarship Examinations, which take place in the following Lent Term.

Houses for successful candidates will be allocated as available in the College and with due regard to the balanced spread of talents throughout the community. Wherever possible, family links with a particular house will be taken into consideration.
