

MARLBOROUGH COLLEGE

POLICY FOR THE PROVISION FOR PUPILS WITH PARTICULAR RELIGIOUS, DIETARY, LANGUAGE OR CULTURAL NEEDS

Marlborough College will make all reasonable provision for pupils with particular religious, dietary, language or cultural needs, via the appropriate departments.

The need for such provision will, in the main, be identified at the joining stage and will be indicated by parents via the Joining Papers sent out by the Admissions Department.

This information will then be disseminated to Boarding Houses and to the Deputy Head (Boarding).

Where appropriate, information about such needs will be recorded on the Special Circumstances and Medical Lists, or on the Learning Support register.

The Special Circumstances List will be updated and reissued twice yearly, in the Michaelmas and Lent terms, in any academic year.

The Emergency Medical List will be reissued to all teaching staff and other co-curricular and support staff, as appropriate, at the start of every term.

It is recognised, however, that needs may change over time and that these Lists are not always appropriate for some specific needs. In such cases, the HM will be responsible for communicating needs and coordinating provision.

The Deputy Head (Boarding) will be responsible for liaison with the Catering Department and HMs about those pupils with particular dietary needs.

The Learning Support Department, Admissions and the Examinations Office will work together to support pupils with particular language needs.
