

## MARLBOROUGH COLLEGE

# *New Admissions Procedures*

13+ ENTRY 2023

The implementation of new procedures of admission to Marlborough College took effect from 1<sup>st</sup> July, 2018.

The main alteration allows a majority of children to gain a secure place at the College in Year 6 rather than, as previously, in Year 7. A smaller intake will still be admitted from children taking the Assessment in Year 7 and a handful of selected late applicants may also have an opportunity to be assessed for a Place in Year 8.

Additionally, House preferences will now be requested and offered after a child has gained a place in the College, rather than prior to Assessment. This will result in a majority of the Year 6 assessed children gaining a first choice House place.

### *Key Dates - Year 6 Assessment (approximately 70% of places offered)*

## Learning Support and Special Needs

If parents require feedback from the College Learning Support Department prior to their child's Assessment, an Educational Psychologist or learning support report must be sent with the Enrolment Form at the latest. Requests for extra time for the ISEB Pre-Test and Common Entrance examinations have to be supported by a recently conducted EP report.

## ISEB Pre-Test and Assessment Day, Year 6

All Enrolled children will be required to sit the ISEB Pre-Test at their current school either in the **December 2020 (Year 6)** or **January 2021 (Year 6)**.

A date will also be made for Applicants to come to Marlborough College for an Assessment Day in the **Lent Term 2021 (Year 6)**. The College aims to make Assessment Day as pressure-free and enjoyable for the applicants as possible and comprises a short writing task (no preparation required), an interview with a Housemaster or Housemistress and a group Assessment.

## College Place Offers

As a result of the Head's reference, the Assessment, interviews and the ISEB Pre-Tests approximately 70% of College Places will be offered in March of **Lent Term 2021 (Year 6)**, as follows:

A List Offer	An offer of a place at the College. Those receiving an A List offer will be invited to the College for a House Visit Day in the <b>Summer Term 2021 (Year 6)</b> .
B List Offer	A place on the waiting list. Parents will be asked to accept or decline their waiting list place by the end of <b>Lent Term 2021 (Year 6)</b> . If an A List Place does not become available, B List children will be reconsidered alongside the Year 7 Assessment in the Lent Term of 2022.

It may not be possible in all cases to offer either an A or B List place.

## House Visit Day

Families whose child has an A List College Place will be invited to a House Visit Day which will take place mid-week in the **Summer Term 2021 (Year 6)**. The focus of this event is for families to tour boarding houses and meet with Housemistresses and Housemasters in order to request their preferred choices for their child. After the event, parents will be asked to submit their preferred 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> choice of Houses by the end of the **Summer Term 2021 (Year 6)**. House Place Offers will then be made early in **Michaelmas Term 2021 (Year 7)**.

## College & House Place Acceptances

Parents will be asked to accept or decline the offer of a College Place and a House Place by the **Michaelmas Half Term 2021 (Year 7)**. In order to secure the offers, a deposit, currently of £1,950, is payable on acceptance. Overseas residents are, in addition, required to pay a term's fees at this time and, if applicable, will be subject to a Tier 4 visa administration fee.

## Common Entrance

Common Entrance results are used for initial setting purposes on arrival. Children who gain an A List place are expected to achieve success in either the Common Entrance or Academic Scholarship Examinations. Expected Common Entrance results would be 60% average overall. The Admissions Department will send information for candidates attending schools that do not prepare for Common Entrance.

## Scholarships

Scholarships are available in the following categories: Music, Academic, Art, Design Technology, Sport and William Morris All Rounder. Only children holding an A List place can apply. ## Later Entry Points:

Approximately 25% of places will be offered to Year 7 assessed applicants. For those who achieve an A List place, the College will do its best to accommodate as many preferred House choice requests as possible, however due to a majority having already been secured from the Year 6 intake, there will be a decreased availability.
