

## Hatt Health and Movement Clinic

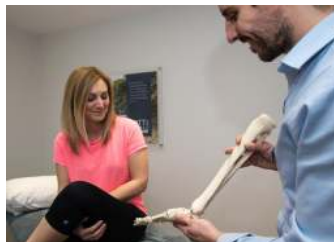

At the Hatt Health and Movement Clinic we are proud to be part of a large team of health professionals who are able to offer a vast range of musculoskeletal services that provide a comprehensive and gold standard of care to the pupils of Marlborough College.

Our services include:

Physiotherapy

Gait Analysis

Podiatry

Rehabilitation

Massage Therapy

Pilates

All of our team are highly skilled in their own field and have completed post graduate courses in paediatric and adolescence health. This makes us particularly comprehensive and effective in the treatment of your child and any symptoms they may have.

We also have excellent links to the best orthopaedic consultants in the area and can arrange further appointments and investigations if deemed necessary.

Our clinic is situated 100 yards from the college itself, and appointments can easily be made to fit around your child's curriculum.

For further information please have a look at the services we offer at [www.hattclinic.co.uk](http://www.hattclinic.co.uk)

Alternatively please feel free to call our Patient Services team on **01672 516580**.

We look forward to hearing from you soon.
